

Careers at Triune

At Triune Health Group we strive to treat everyone with the highest level of human respect. This relates not only to our employees but also our customers and clients we serve.

The individuals who join our team are among the best in the industry, in terms of skills and qualifications. When we hire an individual, we not only look at the skills of a person but more importantly at their integrity.

We are a company that maintains a family atmosphere supported by our values and morals.

We are always looking for qualified applicants for the following positions:

- Medical Case Managers
- Job Developers
- Vocational Counselors
- Occupational Health Nurses

If you are an interested qualified professional, please e-mail us your resume and cover letter to Careers@DMNSite.com.
