

## Triune Team Overview

Our formula for success has always been the same: Hire and retain the best professionals. Then empower them to do the right thing for each client without compromise.

We are very proud of the caliber of people we attract and retain as part of the Triune Team. It is what makes our company unique.

Below you will see the locations and categories of professionals that we have employed here at Triune. If you create an account and log in you will be able to meet and explore the qualifications of our team members.

### Management

Christopher J. Yep, M.S., C.R.C., LCPC

President/Senior Consultant

Chris has over 30 years in the field of Rehabilitation Management. He completed a Masters Degree in Rehabilitation Counseling at the Illinois Institute of Technology and is currently a Certified Rehabilitation Counselor and a Licensed Professional Clinical Counselor. His experience includes managing multi state operations for a National Case Management company as well as overseeing product development, quality of service and marketing. Working in private rehabilitation for 20 years, Chris has also had experience as a Rehabilitation Consultant and as a Vocational Expert. He is certified as an expert by the Social Security Administration. He is the owner and President of the Triune Health Group, LTD.

James J. Yep
